Cleaning & maintenance tips

Machine wash: bassinet fabric, seat fabric, sun canopy, mattress cover.

Do not wash, clean with damp cloth: mattress foam, underseat basket, grips.

IMPORTANT:

- Always check the fabric label before washing.
- Before washing, remove panels and stiffeners from fabrics where applicable.

When washing, don't forget:

- maximum temperature 30°C/85°F (cold wash)
- do not use bleach or aggressive detergents
- do not tumble dry
- do not iron
- do not dry clean
- always wash separately

Routinely inspect and maintain your stroller.

Chassis: Clean the chassis with a soft towel and lukewarm water and wipe off any remaining water with a dry cloth. Use a soft brush to clean sand and dirt from the mechanisms and sliding tubes of the chassis. Take care to brush away from any sliding joints.

Wheels: Use a brush and water to clean dirt on the wheels. Periodically, remove the wheels from the chassis and brush off any dirt or sand in the inside axle of the wheel.

After washing: Always re-assemble the (dry) parts back into original state as instructed in the user guide.

Wet conditions: Store your Bugaboo stroller and its accessories in a dry place and leave them to dry unfolded to prevent mold.

- Your Bugaboo stroller is not resistant to salt water.
- Avoid contact between adhesive straps and the fabrics of your stroller. This may damage the fabrics.
- On floors such as synthetic laminates, parquet, linoleum and carpet (organic surface floors), rubber black tires may leave permanent marks. Should you have a floor as mentioned above we recommend to be careful with indoor usage.

⚠️ WARNINGS

and useful safety information

IMPORTANT — READ THESE INSTRUCTIONS CAREFULLY BEFORE USE AND KEEP FOR FUTURE REFERENCE.

To avoid dangerous situations please take a few minutes to read the information below.

WARNING: Failure to follow these warnings and the instructions could result in serious injury or death.

The Bugaboo Donkey 6 is certified by:

- ASTM F833 (latest version), ASTM F2050 (latest version) and the Juvenile Products Manufacturing Association (JPMA).

RECOMMENDED WEIGHTS/LOADS AND AGE (PER USER MODE)*

Bugaboo Donkey 6

Stroller:	0 to 48 months. Up to 50lbs / 23kg
Bassinet on/ off chassis:	Up to 20lbs / 9kg or 6 months
Seat on chassis:	6 to 48 months
Seat used off chassis	
as reclined cradle:	Up to 20lbs / 9kg
Underseat basket:	Up to 33lbs / 15kg and 18.5gal / 70l
Side bag:	Up to 22lbs / 10kg on chassis
	Up to 8.8lbs / 4kg on handlebar
Maximum allowed children:	1 in single configuration
	2 in double configuration

* The specified age or weight, whichever comes first.

CHILDREN AND YOUR STROLLER

1. NEVER leave your child unattended.
2. Do not let your child play with this product.
3. To avoid injury ensure that the child is kept away when (un)folding and when making adjustments to this product.
4. Do not let other children play unattended near the bassinet.
5. Keep children and appendages away from the adapter interface when attaching the car seat.
6. Avoid injury from stored energy – Do not let your child(ren) play with the leg rest.

BEFORE USE

7. The carry handle(s)/bumper bar and the bottom of the bassinet should be inspected regularly for signs of damage and wear.
8. Check that the bassinet or seat unit or car seat attachment devices are correctly engaged before use.
9. Ensure that all the locking devices are engaged before use and always apply the brake when loading or unloading your child.
10. Before carrying or lifting the bassinet make sure that the carry handle is in correct position of use.
11. Before each use ensure that the harness is working properly and the handlebar is locked.
12. Always use the safety features of your Bugaboo stroller, including locking devices, brake, the harness (when child is in the seat) and the wrist strap attached to the handlebar. Check and maintain all safety features frequently.
13. Use the wrist strap to stop the stroller rolling away.
14. The canopy and carry handle must be installed before using the Bugaboo stroller.
15. Adjust the length of the handle according to the indication symbols on the handlebar and the schematic diagram of the instruction manual. The shortest length of the handlebar is not the use position which is for locking the folded chassis.
16. Always make sure the bassinet is empty before folding. Remove the infant from the bassinet or the seat before folding the stroller.

USAGE RESTRICTIONS

Product in general

17. The Bugaboo Donkey 6 is suitable for children from 0 to 48 months (23 kg/50 lbs).
 - Maximum weight for the underseat bag is 33lbs / 15kg and 18.5gal/70l.
18. Unstable hazardous conditions may exist if any of the recommended load by Bugaboo is exceeded and if package carrying accessories are added onto the product.
19. Any load attached to the handlebar, seat or side of the stroller affects the stability of the stroller.
20. Placing bags or accessories on the handlebar may cause the stroller to become unstable.
21. Do not place more than one approved accessory on the handlebar of your stroller. Risk of stroller tipping over.
22. Take your child out of the Bugaboo stroller when going up or down stairs and around steep or unstable conditions. Also, take extra care when going up or down a curb or other uneven surfaces. Do not take your stroller on the escalator.
23. The Bugaboo Donkey 6 is designed to carry up to two children in the double configuration and a third child on the wheeled board, according to the usage instructions.
24. Do not allow children heavier than 20 kg (44 lbs) to stand on the Bugaboo wheeled board.

25. Ensure that the Bugaboo comfort wheeled board is correctly engaged before use.
26. Never pick up the stroller by the carry handle(s)/bumper bar while your child is lying or sitting in the bassinet or seat on the chassis.
27. FALL HAZARD - Do not carry child in side bag. Use bassinet or seat only.
28. The Bugaboo Donkey 6 frame (no. 100430001) should only be used with the Bugaboo Donkey 6 chassis (no. 100431002). Do not use Bugaboo Donkey 6 parts or components with any non-approved stroller or any other Bugaboo product.
29. Only use authentic Bugaboo replacement parts and Bugaboo accessories or products approved by Bugaboo for use with the Bugaboo stroller. It is unsafe to use products that are not approved by Bugaboo.
30. Strings can cause strangulation! Do not place items with a string around a child's neck, such as hood strings or pacifier cords. Do not suspend strings over a bassinet or cradle or attach strings to toys.
31. ENTANGLEMENT HAZARD: Carry handles of bags shall be left out of the bassinet and outside the occupant area of the seat.
32. Do not use the Bugaboo stroller or any of its components near open flames or other sources of heat. Avoid exposing the Bugaboo stroller to extreme temperatures.
33. The Bugaboo Stroller is not resistant to salt water.
34. It is possible that on floors such as synthetic laminates, parquet, linoleum and carpet (organic surface floors), rubber black tires may leave permanent marks. Should you have a floor as mentioned above we recommend to be careful with indoor usage.
35. This product is not suitable for running or skating.
36. Never leave the carry handle(s)/bumper bar loose in the bassinet or seat area, always ensure that it is properly locked into place.
37. WARNING: Do not leave flexible carrying handles inside the bassinet.
38. Always check the accessory user guide when using the integrated attachment points.
39. Handlebar grips must be attached and locked correctly before use.
40. The car seat does not replace a cot or a bed. Should you child need to sleep, then it should be placed in a suitable bassinet, cot or bed.
41. Care must be taken when folding and unfolding it to prevent finger entrapment.
42. Risk of tipping. The Bugaboo Donkey 6 side bag or any other accessory must not be attached on the handlebar in double/twin mode when one or two car seats are installed on the stroller.

BASSINET SPECIFIC

43. Maximum weight for the child in the bassinet is 9 kg (20 lbs).
44. This product is only suitable for a child who cannot sit up unaided.
45. FALL HAZARD - To help prevent falls, do not use this product when the infant begins to push up on hands and knees or has reached 9 kg (20 lbs), whichever comes first.
46. SUFFOCATION HAZARD - On soft bedding use only the mattress, including sheet cover and aerated inlay, provided by Bugaboo for the Bugaboo

- (stroller name). NEVER add a pillow, comforter, or another mattress for padding.
47. Don't leave anything in the bassinet that could present a danger of suffocation e.g. non-rigid toys, pillows, etc.
 48. The bassinet is not intended for sleep. Should your child need to sleep, then it should be placed in a suitable crib, cot or bed.
 49. Ask a health professional for advice on safe sleeping.
 50. Overheating can endanger the life of your child! Take into account the ambient temperature and the child's clothing and ensure that the child is not too cold or too warm.
 51. Do not use the bassinet or a car seat in the two wheel position.

SEAT SPECIFIC

52. The seat is not suitable for children under 6 months.
53. For any child unable to maintain an unaided sitting position the backrest should only be used in the fully reclined position.
54. FALL HAZARD - Avoid serious injury from falling or sliding out. Always use the complete five point restraint system.
55. Never let your child stand up in the seat. Be careful because your child may stand up even when the harness is fastened.
56. Always use the wrist strap when in two wheel position.
57. WARNING: Do not use the seat facing world in the 2-wheel position. It is not an intended use position.

USING SEAT OFF THE CHASSIS

58. Maximum weight for the child in the seat when used independently of the chassis is 9 kg (20 lbs).
59. Do not use the bassinet or seat off the chassis once your child can sit unaided.
60. The seat does not replace a cot or bed. The seat is not intended for prolonged periods of sleeping. Should your child need to sleep then place it in a suitable cot or bed.
61. FALL HAZARD - Child's activity can move carrier. NEVER place carrier on counter tops, tables, or any other elevated surface.
62. SUFFOCATION HAZARD - Infant carrier can roll over on soft surfaces and suffocate child. NEVER place carrier on beds, sofas, or other soft surfaces. Only use on a firm, horizontal level and dry surface.
63. NEVER use this carrier as a means to transport an infant in a motor vehicle.

DAMAGE WARNING

64. WARNING: Do not use the Bugaboo Stroller if any part is broken, torn or missing. You should ensure that any damaged or worn parts are repaired immediately.
65. To ensure complete safety for your child do not use the Bugaboo Stroller until any damaged or worn parts have been repaired or replaced.

32. The Bugaboo Stroller is not resistant to salt water.
33. It is possible that on floors such as synthetic laminates, parquet, linoleum and carpet (organic surface floors), rubber black tires may leave permanent marks. Should you have a floor as mentioned above we recommend to be careful with indoor usage.
34. This product is not suitable for running or skating.
35. Never leave the carry handle(s)/bumper bar loose in the bassinet/carrycot or seat area, always ensure that it is properly locked into place.
36. WARNING: Do not leave flexible carrying handles inside the bassinet/carrycot.
37. Always check the accessory user guide when using the integrated attachment points.
38. Handlebar grips must be attached and locked correctly before use.
39. The car seat does not replace a cot or a bed. Should your child need to sleep, then it should be placed in a suitable bassinet/carrycot, cot or bed.
40. Do not use the bassinet or a car seat in the two wheel position.
41. Risk of tipping. The Bugaboo Donkey 6 side bag or any other accessory must not be attached on the handlebar in double/twin mode when one or two car seats are installed on the stroller.

WARNING

Failure to follow these warnings and the instructions could result in death or serious injury.

SUFFOCATION HAZARD

Babies have suffocated:

- On pillows, comforters, and extra padding.
- In gaps between a wrong-size mattress, or extra padding and product sides.
- NEVER add soft bedding or padding.
- Use ONLY mattress provided by Bugaboo.
- Always place baby on back to sleep to reduce the risk of SIDS and suffocation.
- If a sheet is used with the mattress, use only the one provided by the product manufacturer or one specifically designed to fit the dimension of the product mattress.
- Product can roll over on soft surfaces and suffocate child. NEVER place product on beds, sofas or other soft surfaces.

⚠ WARNING

FALL HAZARD: To help prevent falls,

- NEVER use the bassinet unless securely attached to the stand or the stroller, excluding when in carry function for products that can be converted into hand-held infant carriers.
- Do not use this product when the infant begins to push up on hands and knees or has reached 20lbs (9kg), whichever comes first.
- Always use this product attached to the Bugaboo stand or Bugaboo stroller. Never use on an unintended elevated surface.
- Never leave the child unattended.
- Child's activity can move carrier. NEVER place carrier on counter tops, tables, or any other elevated surface.
- Always check that the bassinet is securely locked on the Bugaboo stand or Bugaboo stroller by pulling upwards on the bassinet bed.
- NEVER use this product as a means to transport an infant in a motor vehicle.
- Strings can cause strangulation! Do not place items with a string around a child's neck, such as hood strings or pacifier cords. Do not suspend strings over a product or attach strings to toys.
- Do not use if any part of the bassinet is broken, torn, or missing.

USING BASSINET OR SEAT OFF THE CHASSIS

42. Maximum weight for the child in the seat when used independently of the chassis is 9 kg (20 lbs).
43. Do not use the bassinet or seat off the chassis once your child can sit unaided.
44. The seat does not replace a cot or bed. The seat is not intended for prolonged periods of sleeping. Should your child need to sleep then place it in a suitable cot or bed.
45. FALL HAZARD - Child's activity can move carrier. NEVER place carrier on counter tops, tables, or any other elevated surface.
46. SUFFOCATION HAZARD - Infant carrier can roll over on soft surfaces and suffocate child. NEVER place carrier on beds, sofas, or other soft surfaces. Only use on a firm, horizontal level and dry surface.
47. NEVER use this carrier as a means to transport an infant in a motor vehicle.

SEAT SPECIFIC

48. The seat is not suitable for children under 6 months.
49. The maximum weight of the child in the seat is 23 kg/ 50 lbs.
50. For any child unable to maintain an unaided sitting position the backrest should only be used in the fully reclined position.
51. FALL HAZARD - Avoid serious injury from falling or sliding out. Always use the complete five point restraint system.
52. Children have STRANGLED in loose or partially buckled harness straps. Fully restrain the child at all times.
53. Never let your child stand up in the seat. Be careful because your child may stand up even when the seatbelt is fastened.
54. Always use the wrist strap when in two wheel position.
55. WARNING: Do not use the seat facing world in the 2-wheel position. It is not an intended use position.

IN COMBINATION WITH A CAR SEAT

56. WARNING: ENTRAPMENT HAZARD - Do not use handle bar positions together with car seats between indicated markings.
57. Refer to the Bugaboo website for detailed car seat compatibility.

DAMAGE WARNING:

58. WARNING: Do not use the Bugaboo stroller if any part is broken, torn or missing. You should ensure that any damaged or worn parts are repaired immediately.
59. To ensure complete safety for your child do not use the Bugaboo stroller until any damaged or worn parts have been repaired or replaced.

Consejos de limpieza y mantenimiento

Lavadora: Funda de capazo, Funda de silla, Capota, Funda de colchón.

No lo laves, límpialo con un paño húmedo: Colchón, Cestilla de compras, Fundas de manilla.

IMPORTANTE:

- Revisa siempre la etiqueta del fabricante antes de lavar.
- Antes de lavar, retira los paneles y refuerzos de plástico de las fundas si corresponde.

Cuando lo laves, recuerda:

- la temperatura máxima es 30 °C (lavado en frío)
- no uses lejía ni detergentes agresivos
- no uses la secadora
- no uses la plancha
- no limpies en seco
- lava siempre por separado

Inspecciona el cochecito habitualmente y realiza las labores de mantenimiento pertinentes.

Chasis: limpia el chasis con un paño suave y agua tibia, y elimina la humedad con un trapo seco. Utiliza un cepillo suave para limpiar la arena y la suciedad de los mecanismos y los tubos deslizantes del chasis. Elimina también la suciedad de las juntas deslizantes.

Ruedas: usa cepillo y agua para limpiar la suciedad de las ruedas. Periódicamente, separa las ruedas del chasis y elimina con un cepillo la arena y la suciedad del eje interior de la rueda.

Tras el lavado: vuelve a ensamblar siempre las piezas (secas) para volver a su estado original, tal y como explica la guía de usuario.

Con lluvia: guarda tu cochecito Bugaboo y sus accesorios en un lugar seco, y déjalos desplegados para que no se cree moho.

Tu cochecito Bugaboo no es resistente al agua salada.

Evita el contacto entre las correas adhesivas y las fundas de tu cochecito. Las fundas podrían dañarse.

En suelos como laminados sintéticos, parqués, linóleos y alfombras (suelos con superficie orgánica), las ruedas de goma negra pueden dejar marcas permanentes. Si tienes alguno de esos suelos, te recomendamos que tengas cuidado con el uso en interior.

Garantía limitada

El fabricante, Bugaboo International BV, con domicilio social en Ámsterdam (en adelante: “Bugaboo”), suministra los productos Bugaboo bajo garantía. Las condiciones de garantía completas se pueden encontrar en bugaboo.com. Si has comprado tu producto directamente a Bugaboo, puedes contactar con nuestro equipo de Atención al Cliente a través de nuestro formulario de contacto online (www.bugaboo.com/support). Si has comprado tu producto en uno de nuestros puntos de venta oficiales, primero contacta con tu punto de venta para presentar una reclamación bajo la garantía de este fabricante.

ADVERTENCIAS **y información de seguridad**

ES

USA

IMPORTANTE – LEE ESTAS INSTRUCCIONES DETENIDAMENTE ANTES DE USAR EL PRODUCTO Y GUÁRDALAS PARA CONSULTAS FUTURAS.

Para evitar situaciones de peligro, dedica unos minutos a leer las instrucciones que te presentamos a continuación.

De no seguirse estas advertencias e instrucciones podrían producirse lesiones graves o incluso la muerte.

El Bugaboo Donkey 6 está certificado por: – ASTM F833 (version mas reciente),

ASTM F2050 (version mas reciente) y cuenta con la certificación de la Juvenile Products Manufacturing Association (JPMA).

PESO/CARGA Y EDAD RECOMENDADOS (POR USUARIO)*

* La edad o peso especificados, lo que se alcance antes.

Bugaboo Donkey 6

Cochecito: 0 to 48 months. Up to 50lbs / 23kg

Capazo con/sin chasis: 0 hasta 20lbs / 9kg or 6 months

Silla con chasis: 6 hasta 48 meses

Silla sin chasis: hasta 20lbs / 9kg

Cestilla de compras: hasta 33lbs / 15kg and 18.5gal / 70l

Bolsa lateral: hasta 22lbs / 10kg en el chasis/
8.8lbs / 4kg en el manillar

Niños con un máximo de: 1 en configuración simple
2 en configuración doble

NIÑOS Y TU COCHECITO

1. No dejes NUNCA a tu niño desatendido.
2. No permitas que tu niño juegue con el Bugaboo cochecito.
3. Para evitar lesiones, asegúrate que el niño se mantiene alejado durante el desplegado y el plegado de este producto, así como cuando realices algún ajuste en él.
4. No dejes que otros niños jueguen desatendidos cerca del capazo.
5. Mantén los brazos y piernas de los niños alejados de la conexión del adaptador cuando coloques la silla de coche.
6. Evita lesiones por acumulación de energía - No dejes que tu(s) hijo(s) jueguen con el reposapiés.

ANTES DE USAR EL PRODUCTO

7. El(las) asa(s) de transporte/barra de seguridad y la parte inferior del ca-

- pazo deben examinarse regularmente para detectar señales de daños o desgaste.
8. Comprueba que los dispositivos de sujeción del capazo, de la silla o de la unidad de la silla de coche están correctamente engranados antes del uso.
 9. Asegúrate que todos los dispositivos de cierre están engranados antes del uso y acciona siempre el freno al subir o bajar al niño.
 10. Antes de mover o levantar el capazo, asegúrate que el asa de transporte se encuentra en la posición correcta.
 11. Antes de cada uso, asegúrate que el arnés funciona correctamente y que el manillar está bloqueado.
 12. Utilice siempre las funciones de seguridad del Bugaboo cochecito, incluidos los mecanismos de bloqueo, el freno, el arnés (cuando el niño está en la silla) y la muñequera de seguridad fijada al manillar. Compruebe y mantenga todas las funciones de seguridad con frecuencia.
 13. RIESGO DE CAÍDA - Comprueba siempre que el capazo está fijado de forma segura a la base o "stand" tirando hacia arriba del capazo.
 14. Ajuste la longitud del manillar de acuerdo con los símbolos de indicación en el manillar y el diagrama esquemático del manual de instrucciones. La longitud más corta del manillar no es la posición de uso, que es para bloquear el chasis plegado.
 15. Asegúrate siempre que el capazo está vacío antes de plegarlo. Retira al bebé del capazo o de la silla antes de plegar el carrito.

Para el producto en general

16. El Bugaboo Donkey 6 es apto para niños de 0 a 48 meses (23 kg/50 lbs).
 - El peso máximo para la cesta de compras es de 33lbs / 15kg y 18.5gal / 70l.
17. Utilice únicamente los pesos recomendados por el fabricante en la cesta de compras, de lo contrario el cochecito puede resultar inestable.
18. Puede producirse una situación de peligro por inestabilidad si se supera cualquiera de las cargas recomendadas por Bugaboo o si se añaden al producto accesorios para transportar paquetes.
19. Cualquier carga colocada en el manillar, el asiento o los laterales del cochecito afecta la estabilidad del mismo.
20. Colocar bolsas o accesorios en el manillar puede hacer que el cochecito se vuelva inestable.
21. No coloque más de un accesorio aprobado en el manillar de su cochecito. Riesgo de vuelco del cochecito.
22. Saca al niño del Bugaboo cochecito al subir o bajar escaleras y en situaciones de pendiente o inestables. Asimismo, presta especial atención al subir o bajar un bordillo o en otras superficies irregulares. No utilices el cochecito en escaleras mecánicas.
23. El Bugaboo Donkey 6 está diseñado para transportar hasta dos niños en la posición dúo y un tercer niño en el patinete, siguiendo las instrucciones de uso.
24. No permitas que niños de más de 20 kg/44 lbs se suban al Patinete Acoplado Bugaboo.
25. Asegúrate que el patinete acoplado confort Bugaboo está acoplado correctamente antes de su uso.

26. Nunca levantes el carrito por el(las) asa(s) de transporte/barra de seguridad mientras tu hijo esté tumbado en el capazo o sentado en la silla en el chasis.
27. La estructura de silla/capazo del Bugaboo Donkey 6 (nº 100430001) debe utilizarse únicamente con el chasis Bugaboo Donkey 6 (nº 100431002). No utilices piezas ni componentes del Bugaboo Donkey 6 con cochecitos no aprobados o cualquier otro producto Bugaboo.
28. Utiliza únicamente piezas de recambio y accesorios originales de Bugaboo o productos homologados por Bugaboo para su uso con el Bugaboo cochecito. No es seguro utilizar productos no autorizados por Bugaboo.
29. Las cuerdas pueden causar estrangulamiento. No coloques objetos con una cuerda alrededor del cuello del niño, como cordones de capuchas o sujeta-chupetes. No cuelgues cuerdas por encima de un capazo o cuna ni las enganches en juguetes.
30. RIESGO DE ENREDO: las asas de transporte de las bolsas deben quedar por fuera del cuerpo del cochecito y fuera del área del asiento del pasajero.
31. No uses el Bugaboo cochecito ni ninguno de sus componentes cerca del fuego u otras fuentes de calor. Evite exponer el Bugaboo cochecito a temperaturas extremas.
32. El Bugaboo cochecito no es resistente al agua salada.
33. Es posible que los neumáticos de goma negros dejen marcas permanentes en suelos como los laminados sintéticos, parquet, linóleo y moqueta (superficies de suelo orgánicas). En caso de tener uno de estos tipos de suelo, te recomendamos que tengas cuidado con el uso del cochecito en interiores.
34. Este producto no es adecuado para correr o patinar.
35. Nunca dejes el(las) asa(s) de transporte/barra de seguridad suelta en el capazo o en la zona de silla. Asegúrate siempre que está correctamente bloqueado en su sitio.
36. ADVERTENCIA: No deje las asas de transporte flexibles dentro del capazo.
37. Siempre lea la guía del usuario del accesorio al usar los puntos de enganche integrados.
38. Antes de usar el producto, las empuñaduras del manillar deben estar sujetas y bloqueadas correctamente.
39. La silla de coche no sustituye una cuna o una cama. Cuando el niño tenga que dormir, debe ponerle en un capazo, una cuna o una cama que sean adecuados.
40. No utilices el capazo o silla de coche en la posición de dos ruedas.
41. Existe el riesgo de volcado. El bolso lateral Bugaboo Donkey 6 ni cualquier otro accesorio no deben acoplarse al manillar en modo doble/gemelar, cuando dos sillas de coche están instaladas en el carrito.

 ADVERTENCIA

El incumplimiento de estas advertencias e instrucciones podría provocar lesiones graves o incluso la muerte.

RIESGO DE ASFIXIA

Los bebés se han asfixiado:

- En almohadas, edredones y acolchado adicional.
- En los espacios entre un colchón de tamaño incorrecto o acolchado adicional y los costados del producto.
- NUNCA añadas ropa de cama o acolchado.
- Utiliza SOLO el colchón proporcionado por Bugaboo.
- Coloca siempre al bebé boca arriba para dormir para reducir el riesgo de SMLS y asfixia.
- Si utilizas una sábana con el colchón, utiliza únicamente la proporcionada por el fabricante del producto o una diseñada específicamente para adaptarse a las medidas del colchón.
- El producto puede volcarse sobre superficies blandas y asfixiar al niño. NUNCA coloques el producto en camas, sofás u otras superficies blandas.

⚠ ADVERTENCIA

PELIGRO DE CAÍDA: Para ayudar a evitar caídas.

- NUNCA utilices el capazo si no está firmemente sujeto al soporte o al carrito, excepto cuando esté en función de transporte para productos que se pueden convertir en portabebés.
- No utilizar este producto cuando el bebé comience a levantarse sobre sus manos y rodillas o haya alcanzado los 9 kg, lo que ocurra primero.
- Utiliza siempre este producto acoplado al soporte Bugaboo o al carrito Bugaboo. No utilizar nunca sobre una superficie elevada sin supervisión.
- No dejes nunca a tu hijo desatendido.
- La actividad del niño puede mover el capazo. NUNCA coloques el capazo sobre encimeras, mesas o cualquier otra superficie elevada.
- Comprueba siempre que el capazo está bien sujeto en el soporte o en el carrito al tirar hacia arriba de la cama del capazo.
- NUNCA utilices este producto como medio para transportar a un bebé en un vehículo de motor.
- ¡Las cuerdas pueden causar estrangulamiento! No coloques artículos con una cuerda alrededor del cuello de un niño, como cuerdas de capucha o cordones de chupete. No cuelgue cuerdas sobre un producto ni acoples cuerdas a los juguetes.
- No utilizar el capazo si hay alguna pieza rota, rasgada o falta alguna pieza.

USO DEL CAPAZO O LA SILLA FUERA DEL CHASIS

42. El peso máximo del niño para usar la silla de manera independiente al chasis es de 9 kg / 20 lbs.
43. No uses el capazo o la silla fuera del chasis cuando el niño pueda sentarse por sí solo.
44. La silla no sustituye a una cuna o una cama. No está destinada a períodos prolongados de sueño. Si el niño necesita dormir, llévalo a una cuna o cama adecuadas.
45. RIESGO DE CAÍDA: El movimiento del niño puede desestabilizar el capazo. NUNCA lo dejes en encimeras, mesas ni sobre cualquier otra superficie elevada.
46. RIESGO DE ASFIXIA: La silla para bebés puede volcarse en superficies blandas y asfixiar al niño. NUNCA coloques la silla sobre camas, sofás u otras superficies blandas. Utilízala solamente sobre superficies firmes, horizontales, niveladas y secas.
47. No utilices NUNCA el capazo/silla para transportar un bebé en un vehículo a motor.

ESPECÍFICAS DE LA SILLA

48. La silla no es adecuada para niños menores de 6 meses.
49. Para cualquier niño que no pueda mantenerse sentado sin ayuda, el respaldo solo debe utilizarse en la posición tumbado.
50. El peso máximo del niño para usar la silla es de 23 kg /50 lbs.
51. RIESGO DE CAÍDAS: Evita lesiones graves por caídas o deslizamientos. Utiliza siempre el sistema de retención completo (arnés) de cinco puntos.
52. ADVERTENCIA: Usar un arnés tan pronto como el niño se pueda sentar por sí mismo.
53. No permita que el niño se ponga de pie en la silla. Tenga cuidado, puesto que los niños pueden ponerse de pie incluso con el cinturón abrochado.
54. Utiliza siempre la muñequera de seguridad cuando el cochecito esté en posición de dos ruedas.
55. ADVERTENCIA: no instales la silla mirando al mundo en la posición de dos ruedas. No es una posición diseñada para este uso.

USO DEL CHASIS CON SILLAS DE COCHE

56. ADVERTENCIA: PELIGRO DE ATRAPAMIENTO - No se deben usar las posiciones del manillar a la vez con las sillas de coche entre las marcas indicadas.
57. Consulta el sitio web de Bugaboo para ver detalles de la compatibilidad de las sillas de coche.

DAÑOS ADVERTENCIA:

58. No utilices el Bugaboo cochecito si falta cualquier pieza o está rota o desgarrada. Asegúrate de reparar cualquier pieza dañada o desgastada de inmediato.
59. Para garantizar una seguridad total para tu hijo, no uses el Bugaboo cochecito hasta que hayas reparado o cambiado cualquier pieza que esté rota o desgastada.

Informations importantes

Conseils d'entretien

Lavable en machine: Habillage nacelle, Housse du siège, Capote, Housse du matelas, Doublure aérée.

Ne pas laver Nettoyez à l'aide d'un linge humide: Matelas, Panier, Poignées.

IMPORTANT :

- Reportez-vous toujours à l'étiquette de l'habillage avant le lavage.
- Avant le lavage, retirez les panneaux et les raidisseurs des tissus, le cas échéant.

Lors du lavage :

- la température maximum doit être de 30°C (lavage à froid)
- ne pas utiliser de Javel ou de détergents forts
- ne pas sécher en machine
- ne pas repasser
- ne pas nettoyer à sec
- toujours laver séparément

Procédez à une vérification et à un entretien réguliers de votre poussette.

Châssis: nettoyez le châssis avec un chiffon doux et de l'eau tiède puis essuyez à l'aide d'un chiffon sec. Utilisez une brosse douce pour enlever le sable et la saleté des mécanismes et des tubes coulissants du châssis. Nettoyez également à la brosse les articulations coulissantes.

Roues: utilisez une brosse pour nettoyer la saleté sur les roues. Régulièrement, retirez les roues du châssis et utilisez une brosse pour enlever la saleté et le sable de l'axe intérieur de la roue.

Après le lavage: remettez toujours en place les parties (sèches) en suivant les instructions du mode d'emploi.

Temps humide: stockez votre poussette Bugaboo et ses accessoires dans un endroit sec et laissez-les sécher dépliés pour prévenir l'apparition de moisissures.

- Votre poussette Bugaboo n'est pas résistante à l'eau salée.
- Évitez tout contact entre les lanières auto-adhésives et les tissus de votre poussette pour ne pas endommager ces derniers.
- Sur certaines surfaces notamment sur des surfaces synthétiques, du parquet stratifié, du linoléum ou de la moquette (revêtements de sol organiques), les pneus en caoutchouc noirs peuvent laisser des traces permanentes. Si votre sol correspond à l'un de ceux mentionnés ci-dessus, nous vous recommandons d'être vigilant lorsque vous utilisez votre poussette à l'intérieur.

⚠ MISE EN GARDE

et autres informations d'utilisation

IMPORTANT — Lire les instructions suivantes attentivement avant utilisation et les conserver pour les besoins ultérieurs de référence.

Pour éviter toute situation dangereuse, veuillez consacrer quelques minutes à lire les informations ci-dessous.

POIDS / CHARGES ET ÂGE RECOMMANDÉS (par mode d'emploi)

Bugaboo Donkey 6

Poussette:	0 jusqu'à 48 mois ou jusqu'à 50lbs / 23kg
Nacelle avec / sans châssis:	jusqu'à 20lbs / 9kg ou jusqu'à 6 mois
Siège sur châssis:	6 jusqu'à 48 mois
Siège sans châssis:	jusqu'à 20lbs / 9kg
Panier:	jusqu'à 33lbs / 15kg / jusqu'à 18.5gal / 70l.
Sac latéral:	jusqu'à 10 kg sur châssis/ 4 kg sur guidon
Poids maximum autorisé:	1 en configuration simple
	2 en configuration double

*L'âge ou le poids indiqué, selon la première de ces éventualités.

LES ENFANTS ET VOTRE POUSSETTE

1. Ne laissez JAMAIS votre enfant sans surveillance.
2. Ne laissez pas votre enfant jouer avec ce produit.
3. Pour éviter toute blessure, maintenez l'enfant à l'écart lors du dépliage et du pliage du produit ou lorsque vous effectuez des réglages sur le produit.
4. Ne laissez pas d'autres enfants jouer sans surveillance à proximité de la pаниère.
5. Tenez les enfants et leurs mains et pieds à l'écart de l'interface de l'adaptateur lorsque vous attachez le siège-auto.
6. Évitez les blessures causées par l'énergie accumulée – Ne laissez pas votre/vos enfant(s) jouer avec le repose-pied.

AVANT UTILISATION

7. La(les) poignée(s) de transport/barre de protection et le dessous de la Pаниère doivent être inspectés régulièrement pour tout signe éventuel de détérioration et d'usure.
8. Vérifiez que les dispositifs de fixation de la pаниère, du siège ou du

- siège-auto sont correctement enclenchés avant utilisation.
9. Vérifiez que tous les dispositifs de verrouillage sont enclenchés avant utilisation de votre produit et utilisez toujours le frein lorsque vous chargez ou déchargez votre enfant.
 10. Avant de transporter ou de soulever la panier, vérifiez que la poignée est en position d'utilisation.
 11. Avant chaque utilisation, vérifiez que le harnais fonctionne correctement et que le guidon est verrouillé.
 12. Utilisez toujours les dispositifs de sécurité de votre Bugaboo poussette, notamment les dispositifs de verrouillage, le frein, le harnais (quand l'enfant est dans le siège) et la dragonne de poignet attachée au guidon. Contrôlez et entretenez fréquemment l'ensemble des dispositifs de sécurité.
 13. Utilisez la dragonne de poignet pour empêcher la poussette de se mettre à rouler toute seule.
 14. La capote et la poignée doivent être montés avant d'utiliser la poussette Bugaboo Donkey 6.
 15. Réglez la longueur de la poignée en fonction des symboles indicateurs sur le guidon et du schéma du manuel d'instructions. La longueur la plus courte du guidon n'est pas la position d'utilisation qui sert à verrouiller le châssis replié.
 16. Assurez-vous systématiquement que la Panière est vide avant de plier. Retirez l'enfant de la Panière ou du siège avant de plier la poussette.

RESTRICTIONS D'UTILISATION

Informations générales sur le produit

17. La Bugaboo Donkey 6 convient pour les enfants âgés de 0 à 48 mois (environ 23 kg/50 lbs).
 - Le poids maximal du panier ne peut excéder 33lbs / 15kg et 18.5 gal/ 70l.
18. Si le poids recommandé par Bugaboo est dépassé et si des accessoires de transport sont ajoutés au produit, vous risquez d'être confronté à des situations dangereuses et instables.
19. Toute charge fixée au guidon, au siège ou d'un côté de la poussette affecte sa stabilité.
20. Placer des sacs ou des accessoires sur le guidon peut rendre la poussette instable.
21. Ne placez pas plus d'un accessoire approuvé sur le guidon de votre poussette. Risque de basculement de votre poussette.
22. Sortez votre enfant de la Bugaboo poussette lorsque vous montez ou descendez des escaliers et lorsque vous vous trouvez dans des

endroits raides ou instables. Soyez aussi extrêmement vigilant lorsque vous montez ou descendez d'un trottoir ou d'autres surfaces inégales. N'utilisez pas votre poussette dans les escaliers mécaniques.

23. Selon les instructions d'utilisation, la Bugaboo Donkey 6 est conçue pour transporter deux enfants en configuration double et un troisième sur la planche à roulettes.
24. Ne laissez pas des enfants de plus de 20 kg se tenir sur la planche à roulettes Bugaboo.
25. Veillez à ce que tous la Bugaboo planche à roulettes de verrouillage soient engagés avant l'utilisation de la poussette.
26. N'attrapez jamais la poussette par la(les) poignée(s) de transport/barre de protection lorsque votre enfant est couché ou assis dans la Panière ou le siège sur le châssis.
27. **RISQUE DE CHUTE** - Ne transportez pas d'enfant dans le panier latéral. N'utilisez que la panière ou le siège.
28. Le cadre de la Bugaboo Donkey 6 (n. 100430001) doit uniquement être utilisé avec le châssis de la Bugaboo Donkey 6 (n. 100431002). N'utilisez pas les pièces ou les composants de la Bugaboo Donkey 6 avec n'importe quelle poussette non homologuée ou avec tout autre produit Bugaboo.
29. N'employez que des pièces de rechange Bugaboo authentiques, des accessoires Bugaboo ou des produits approuvés par Bugaboo sur votre Bugaboo poussette. L'utilisation de produits qui ne sont pas approuvés par Bugaboo est dangereuse.
30. Les cordelettes peuvent causer des étranglements! Ne placez pas d'objets attachés par une corde autour du cou de votre enfant, comme une capuche avec cordons ou une sucette avec attache. Ne suspendez pas d'objets avec cordes à la panière ou au berceau, et n'attachez pas non plus de cordelettes à des jouets.
31. **RISQUE D'ENCHEVÊTREMENT**: les poignées des sacs doivent être placées en dehors de la panière et hors de portée de l'enfant placé sur le siège.
32. Ne placez pas de sacs ou de bagages sur le guidon et/ou à l'arrière du dossier et/ou sur les côtés de la poussette, car celle-ci pourrait devenir instable.
33. La Bugaboo poussette n'est pas résistante à l'eau salée.
34. Il se peut que sur certaines surfaces notamment sur des surfaces synthétiques, du parquet stratifié, du linoléum ou de la moquette (revêtements de sol organiques), les pneus en caoutchouc noirs laissent des traces permanentes. Si votre sol correspond à l'un de ceux mentionnés cidessus, nous vous recommandons d'être vigilant lorsque vous utilisez votre poussette à l'intérieur.

35. Ce produit ne convient pas pour faire du jogging ou des promenades en rollers.
36. N'utilisez pas les adaptateurs vendus avec le porte-gobelet Bugaboo, l'ombrelle Bugaboo Donkey 6 . Fixez toujours l'accessoire directement sur la poussette à l'aide des points de fixation intégrés à la poussette.
37. **AVERTISSEMENT:** Ne pas laisser les poignées flexibles à l'intérieur de la panier.
38. Consultez toujours le mode d'emploi de l'accessoire avant d'utiliser les points de fixation intégrés.
39. Les poignées du guidon doivent être fixées et verrouillées correctement avant utilisation.
40. Le siège auto ne remplace pas un berceau ou un lit. Si votre enfant a besoin de dormir, vous devez l'installer dans une panier, un berceau ou un lit adaptés.
41. N'utilisez pas la Bugaboo poussette ou l'un de ses composants près de flammes ou d'autres sources de chaleur. Évitez d'exposer la Bugaboo Donkey 6 à des températures extrêmes.
42. Pour éviter de se coincer les doigts, soyez prudent lors du pliage et dépliage de la poussette.
43. Risque de basculement. Le sac latéral Bugaboo Donkey 6 ou tout autre accessoire ne doit pas être fixé au guidon en mode double/jumeaux lorsqu'un ou deux sièges auto sont installés sur la poussette.

INFORMATIONS SPÉCIFIQUES À LA PANIÈRE

44. L'enfant placé dans la panier ne peut excéder 9 kg/20 lbs.
45. Cet article convient pour un enfant qui ne sait pas s'asseoir seul.
46. **RISQUE DE CHUTE** – Pour aider à prévenir les chutes, n'utilisez pas ce produit lorsque le bébé commence à se mettre à quatre pattes ou dépasse les 9 kg/20 lbs.
47. **RISQUE DE SUFFOCATION** – Pour la literie, n'utilisez que le matelas, comprenant une alèse et une house aérée, fournis par Bugaboo pour la Bugaboo Donkey 6 . N'ajouter JAMAIS d'oreiller, de couette ou tout autre matelas en guise de rembourrage.
48. Ne laissez rien dans la Panier/le berceau qui pourrait constituer un danger de suffocation, par exemple des jouets non rigides, des coussins, etc.
49. La Panier n'est pas destinée à être utilisée pour y laisser dormir l'enfant. Si votre enfant a besoin de dormir, il doit être placé dans un berceau, un lit d'enfant ou un lit adapté.
50. Demandez à un professionnel de santé des conseils pour que votre bébé dorme en toute sécurité.
51. La surchauffe peut mettre la vie de votre enfant en danger ! Prenez en

compte la température ambiante et les vêtements de l'enfant et veillez à ce qu'il n'ait ni trop froid ni trop chaud.

52. N'utilisez pas la pаниère ou le siège-auto en mode deux roues.

INFORMATIONS SPÉCIFIQUES AU SIÈGE

53. Le siège ne convient pas à un enfant de moins de 6 mois.

54. Pour les enfants incapables de se maintenir seuls en position assise, le dossier ne doit être utilisé qu'en position allongée.

55. RISQUE DE CHUTE – Evitez tout risque de blessure grave liée à une chute du siège. Utilisez toujours le dispositif de retenue à cinq points.

56. Ne laissez jamais votre enfant se lever dans le siège. Attention car votre enfant peut se lever même quand le harnais est attaché.

57. Utilisez toujours la dragonne de poignet lorsque votre poussette est sur deux roues.

58. AVERTISSEMENT: En mode deux roues, ne pas utiliser le siège face au monde. Ce mode n'a pas été prévu pour cette orientation.

UTILISATION DU SIÈGE EN DEHORS DU CHÂSSIS

59. L'enfant placé dans le siège, utilisé en dehors du châssis, ne peut excéder 9 kg/20 lbs.

60. N'utilisez pas la pаниère ou le siège hors du châssis lorsque l'enfant peut se tenir assis seul.

61. Le siège ne remplace pas un berceau, ni un lit. Le siège ne convient pas pour des longues périodes de sommeil. Si votre enfant a besoin de dormir, placez-le dans un berceau ou un lit adéquat.

62. RISQUE DE SUFFOCATION : La pаниère peut se retourner sur des surfaces molles et étouffer l'enfant. Ne placez JAMAIS la pаниère sur un lit, un canapé ou d'autres surfaces molles. Posez-la exclusivement sur une surface plane, horizontale, ferme et sèche.

63. ATTENTION: RISQUE DE CHUTE – Les mouvements de l'enfant peuvent déplacer la Pаниère. Ne la placez JAMAIS sur un comptoir, une table ou toute autre surface en hauteur.

64. N'utilisez JAMAIS ce siège pour transporter votre enfant dans une automobile.

DOMMAGES AVERTISSEMENT:

65. N'utilisez pas la Bugaboo poussette si une pièce est cassée, déchirée ou manquante. Veillez toujours à réparer immédiatement vos pièces endommagées ou usées.

66. Pour assurer la sécurité complète de votre enfant, ne pas utiliser la poussette Bugaboo tant que les pièces endommagées ou usées n'ont pas été réparées ou remplacées.

Garantie limitée

En sa qualité de fabricant, Bugaboo International BV, (« Bugaboo »), dont le siège se situe à Amsterdam, fournit les produits Bugaboo sous garantie. Les conditions de garantie complètes peuvent être trouvées sur bugaboo.com.
